

# Evolis, is thrilled to announce its participation in Securex 2023

Evolis, the global leader in decentralized issuance of secure identification cards

Evolis, the global leader in decentralized issuance of secure identification cards, is thrilled to announce its participation in Securex 2023, the foremost security tradeshow in Nigeria. Evolis has an extensive network of partners and distributors worldwide, and a long-standing presence in Africa as a leading player in the card issuance industry.

At Securex 2023, Evolis will showcase its range of innovative solutions for secure card issuance, including card printers, software, and consumables. These solutions are designed to meet the needs of a wide range of industries, such as government, education, healthcare, finance, and transportation.

**Moreover, Evolis is actively seeking a new distributor in Nigeria to further strengthen its position in the region and expand its customer base.** As a dynamic and innovative company, Evolis is committed to delivering reliable and user-friendly card printing solutions, backed by exceptional customer support.

Visit our booth at Securex 2023, **STAND NO. 1A19**, to learn more about our latest products and meet our team of experts.

Whether you require simple badge printing or complex smart card encoding, Evolis has the perfect solution for your organization's unique needs.
