**Reliance Infosystems to Showcase Innovative Technology Solutions at the SECUREX West Africa Exhibition 2023**

Lagos, Nigeria, 17<sup>th</sup> April 2023 - Reliance Infosystems, a leading global ICT organization, is proud to announce its participation in the upcoming SECUREX West Africa Exhibition 2023. The event is scheduled to take place from May 9<sup>th</sup> – May 11<sup>th</sup>, 2023, at the Landmark Centre, Lagos, Nigeria.

SECUREX West Africa Exhibition is the largest exhibition for Commercial, Cyber, Perimeter, and Homeland Security in West Africa. The event provides a unique platform for organizations to network, connect, and collaborate on new ideas and projects.

At the SECUREX West Africa Exhibition 2023, Reliance Infosystems will be showcasing its cutting-edge technology solutions, including its cloud-based services and cybersecurity solutions. The company will also be demonstrating its expertise in the areas of digital transformation, software development, and process automation.

*"Reliance Infosystems is excited to be participating in the SECUREX West Africa Exhibition 2023," said Olayemi Popoola, MD/CEO of Reliance Infosystems. "We are looking forward to showcasing our innovative technology solutions and expertise alongside other industry leaders and innovators from across Africa and around the world."*

*"We believe that the SECUREX West Africa Exhibition 2023 is an important event, and we are proud to be part of it," added Popoola. "We are committed to driving digital transformation across the continent and believe that our participation in this event will help us to achieve this goal."*

Reliance Infosystems is inviting all participants to visit its stand (1C10) at the SECUREX West Africa Exhibition 2023 to discover how the company is helping to transform businesses and industries across the continent through innovative technology solutions.
